

DHC and APPNA Team Up with Lawmakers to Protect Kentucky Citizens

Doctors for Healthy Communities (DHC) and the Association of Physicians of Pakistani Descent of North America (APPNA) donated 15,000 KN95 masks for assisting the fight against COVID-19 to the Kentucky Cabinet for Health and Family Services, 19 House of Representatives and 6 Senators in the Kentucky general assembly. We wholeheartedly appreciate our leadership in Frankfort and throughout the state during this pandemic.

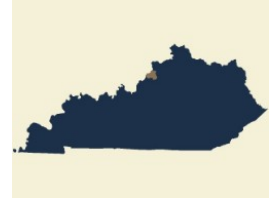

What follows is the list of our public servants who received and distributed the KN95 masks with the map of their respective counties in Kentucky. Each representative/senator photo is clickable to learn more, and there's an interactive map on the last page.

Eric Friedlander, Acting Secretary of the Kentucky Cabinet for Health and Family Service

Dr. Muhammad Babar of Doctors for Healthy Communities (DHC) and Association of Physicians of Pakistani Descent of North America (APPNA) donated 2,500 KN95 masks to Eric Friedlander, Secretary of Kentucky's CHFS.
