Mark Your Calendar! Give for Good Louisville is September 17th!

Give for Good Louisville is an extraordinary day of the year where we can celebrate and support local non-profit organizations. Doctors for Healthy Communities is proud to join this year's event.

Please take a moment to view our page and mark your calendars for the day of giving: September 17th! We'll be highlighting work done by volunteers and officers in the days leading up to the big event. Please look through the Give for Good website to learn of our fellow compassionate citizens and the great work they do.

DHC Delivers Lunch to COVID-19 Testing Site

Doctors for Healthy Communities (DHC) and Association of Physicians of Pakistani descent of North America (APPNA) volunteers delivered lunch prepared by Subway at Holiday Manor to front line healthcare workers performing Coronavirus testing on July 11, 2020 at St. Stephen Baptist Church.

Thank you to St. Stephen Baptist Church for hosting this important service for the community.

Long Term Care Facilities Thanked for Their Service

Doctors for Healthy Communities wishes to thank and support our health care workers who remain on the front line during COVID-19.

In support, we recently provided snacks to:

DHC/APPNA Donate to Renowned Health Care Worker Dr. Eula Hall

DHC President & APPNA life member Dr. Babar, Representative Ashley Tackett Lafferty District 95 Of Kentucky and DHC Vice President & APPNA life member Dr. Saleem visited Dr. Eula Hall on June 16, 2020.

On behalf of DHC and APPNA, they delivered a \$1,000 check, along with non-perishable supplies for the food pantry and hand sanitizer for the healthcare workers supplied by Brown-Forman of Louisville, KY.

Supplies Sent to Essential Facilities Around Louisville

DHC and APPNA have worked tirelessly to get supplies to those care centers in need, and that work continued in June/July with two more deliveries.

We delivered snacks, hygiene supplies, tarps and water to UP for Women and Children. [Learn about the great work they do here.](#)

Then DHC and APPNA delivered "COVID Wishlist" items and gently used children's clothes to Backside Learning Center. [Learn more about their great facility here.](#)

DHC & APPNA Collaborate on Unprecedented Kentucky Outreach

Thank You to All Our Supporters & Volunteers!

2020 has proved to be a challenging but inspiring time for the Doctors for Healthy Communities team. We have taken steps to provide personal protective equipment to healthcare workers and first responders. DHC is thankful to Kentucky State Legislators who facilitated the distribution across rural Kentucky. Please click on each photo below to visit our website and learn more. DHC will continue to serve you for years to come.

Captions clockwise from top left: This map shows the districts across Kentucky where DHC/APPNA protective masks were distributed by legislators, DHC supported schools in Pakistan, we delivered masks to many Louisville businesses, our doctors joined the #WhiteCoatsforBlackLives Movement, we provided supplies to kids via Blessings in a Backpack, and we worked with nurses and volunteers to perform hundreds of student physicals.
