Support DHC Through Kroger's Community Rewards Program!

DHC is now a proud participant in the Kroger Community Rewards Program. This program allows you to support Doctors for Healthy Communities initiatives simply by shopping for groceries!

Go to www.kroger.com and create an account. Register your Kroger Rewards Card, and then go to the "Community Rewards" page in the "Savings" dropdown menu. Then, search for DHC's non-profit number, which is YK518, and click Enroll!

It's that easy. Your Kroger shopping will go to support the great work our volunteers do to support families throughout Kentucky.

Dr. Babar Speaks to Wave 3 News About Vaccinations

DHC President Dr. Muhammad Babar spoke with Wave3 News about the ongoing vaccination process and when we can expect herd immunity. Read or watch the full interview at the link below!

Reusable Water Bottles Delivered to JCPS and UP

DHC volunteers have worked tirelessly to provide renewable water vessels to JCPS schools ([Camp Taylor](#), [Audubon Elementary](#), and [Newcomer Academy School](#)) as well as [United Partners for Women and Children](#). Reusable water bottles & disposable water cups from Louisville Water Company were delivered to all locations. Supplies for the JCPS Care Closet were also delivered to JCPS schools, including laundry detergent, cleaning products, hygiene wipes, gently used clothes, nonperishable food and more.

School Supplies Delivered to Maxwell Elementary

Doctors for Healthy Communities volunteers delivered school supplies to support families at Maxwell Spanish Immersion Elementary School on February 5th, 2021.

Maxwell Elementary is part of Fayette County Public Schools and its mission statement is “Maxwell Escuela de Inmersión en Español is a learning community committed to equity, proficiency for all, and Spanish language acquisition — empowering students for success in a global society.”
